History of The Class Of "61"

In September, 1949, the Class of '61 began their twelve years of education. Twenty-nine scrubbed angels left their mothers' apron strings to join Mrs. Holtkamp's fold. Here we learned to wipe our nose and to tie our shoe strings.

Under Mrs. Grimes' (Mrs. Thieman's) care, we acquired the skill to tell time and to write instead of print.

During the third year, Mrs. Katterheinrich taught us to make baskets. Here we also struggled with the spelling of more difficult words.

Mrs. Sparks guided us through the fourth grade. This year we made a sand box and tackled division problems.

The first month of our fifth grade was spent in getting acquainted with a new teacher, Mrs. Grilliot. She made our school work very interesting by introducing us to nature. We had an enjoyable time bringing cocoons, wasp's nests, and many other types of insects to school.

Mr. Stienecker, our first male teacher, introduced us to crafts. Our interest in nature was increased by taking field trips.

On entering the seventh grade we were thrilled to no end, for we were now rubbing shoulders with the upper classmen. Although we appeared green and childish to these older students we thought we were matured to adulthood.

By the time we entered the eighth grade, we were thoroughly accustomed to high-school life. We thought it was the greatest event of our whole lives when the seniors invited us to their high school party.

In September, 1957, we entered high school with 26 students. During the summer we gained Donna Etgen and Dick Kuck. We were officially sworn in as high school students with the initiation given us by the Sophomores. Many of our members participated in chorus, band, baseball, basketball, and cheerleading.

As Sophomores, we became increasingly aware of the great burden of our studies. Dick Kuck found interests elsewhere, but our enrollment was increased again by the memberships of Roger LaWarre and Leon Schoenlin.

During the next summer, Harvey McCune left our class, but Mack Napier, originally from Kentucky, joined us. Our Junior Class Play was a great success under the direction of Mr. Kenneth List. Our Prom, Moonlight Sontata, was worth the many long hours of work which it required. We think it was the best prom ever!!

Upon entering our last year at NKHS, we had 24 members, 10 girls and 14 boys, after having lost Mack Napier and Alberta Wierwille during the summer. We are now beginning the practice of our Senior Class Play, "A Man Called Peter," and are looking forward to our class trip, Baccalaureate Service, and Commencement with increasing eagerness, but at the same time, increasing regret to be leaving our dear high school — NKHS.

Citizens of the New Knoxville School District:

The Class of 1961 thanks all of you who in any way helped make this twenty-second publication of the Memoir a success. We also thank the businessmen in the surrounding cities for their financial support.

We hope that our Memoir will meet with your complete satisfaction. We tried to give you an idea of the activities that were carried on throughout this school year.
